

## **Harris Teeter's "Together In Education" Program**

Windermere is proud to be a part of Harris Teeter's "Together in Education" program. All you have to do is link your VIC card to our school using the number 8112. Each time you shop for groceries, a percentage of your Harris Teeter brand purchases will be credited back to Windermere. It won't interfere with your VIC card savings or cost you any money. Next time you check out at any Harris Teeter in Wilmington, tell the cashier that you would like to link your VIC card to Windermere Presbyterian Preschool with the number 8112 and you can help to raise money for our school!
